BENJAMÍN DEL PINO

BUSINESS & ECONOMICS BACHELOR,

PROFILE

A recent business and economics bachelor's graduate from Universidad Austral invested in learning about AI, product, and strategy. Influenced by my upbringing experiences in the UK and Chile, I have developed an independent, reliable, and open-minded character. In more recent years, university, entrepreneurship, and work have ignited a growing interest in the tech industry. This interest has grown in hand with a thorough desire for learning & progressing.
